EXPERIENCE

Michael was originally admitted as a barrister and solicitor in South Australia in 1998 and worked for DLA Piper (then Phillips Fox) for 8 years in Adelaide and Brisbane handling commercial disputes, professional indemnity disputes, product liability claims, insurance disputes and other claims (including acting as counsel at trial and in the interlocutory stages in a number of those disputes).

Michael was also a lawyer and senior associate with Clyde & Co and Clifford Chance LLP in London for almost 5 years prior to coming to the bar in Brisbane and was involved in a variety of commercial disputes, including acting for Brookfield Multiplex UK in disputes arising out of the construction of the new Wembley Stadium, numerous commercial, insurance and reinsurance arbitrations and in other contractual disputes and regulatory matters. Michael qualified as a "Solicitor Advocate" during his time in the United Kingdom.

In addition to the reported matters referred to, Michael has acted:

- in numerous building and construction claims and arbitrations: including for a developer in a multi-million dollar dispute over the construction of a large apartment development in New Farm, in a litigated dispute over the construction of a residential, commercial and hotel development on the Gold Coast and in numerous significant infrastructure and resource-related arbitrations;
- for and against banks, liquidators, administrators and receivers in numerous claims (including those arising from finance agreements, guarantees, statutory demands and winding up applications);
- as counsel in a number of public examinations, the coronial inquest into deaths arising during the course of the home insulation scheme, the Crime & Corruption Commission Inquiry into local government elections in 2016 and ASIC inquiries;
- in numerous contractual disputes in a commercial setting – including disputes arising out of supply contracts, restraint of trade clauses, sales of businesses and the like;
- in numerous professional negligence claims (including in claims against valuers, accountants, solicitors and construction professionals);
- for vendors, purchasers and a Council in various property related disputes (including disputes arising out of contracts for the sale of residential and commercial property and disputes arising out of commercial leases);
- in numerous resources related disputes (including arbitration); and,
- in oppression claims and other corporate disputes (between directors, shareholders and companies).

Michael is also an active participant in various continuing professional development programmes. In addition to the presentation of seminars at firms, Michael has been invited to speak at many industry events, including
