

COVID-19 Update 16 March 2020

No doubt like all of you, Level Twenty Seven Chambers is closely monitoring medical and government advice concerning COVID-19.

In accordance with the current guidance, Chambers is fully open for business. All client services continue as usual with barristers and staff in normal attendance. All seminar and other events remain scheduled. As a purely precautionary measure, cleaning and hygiene procedures have been increased so as to maintain the health and safety of our staff, barristers and visitors.

We ask that all visitors to Chambers take reasonable precautions to assist in maintaining this position. In particular, we ask that visitors not attend Chambers if:

1. They are experiencing cold or flu like symptoms or have done so within 14 days prior to their attendance and have not received medical clearance.
2. They have come into close contact with a person confirmed as having a COVID-19 infection within the last 14 days.

Obviously, the position is constantly and rapidly evolving. Chambers is therefore planning to ensure that in the event of a substantial change in guidance, client services will continue with no or minimal disruption. Any developments will be notified on our website.
